## UNKNOWN ART EXHIBITION

Forbes, Parkes and Eugowra creatives are invited to showcase their work as part of the *Unknown Art Exhibition*, hosted by Forbes Arts Society.

Based on the national Incognito Art Show, *Unknown* is an inclusive, community art exhibition...with a twist.

### So, what's the twist?

All artworks are exhibited anonymously. Only once an artwork is purchased will the artist's name be revealed to the buyer on the back of the artwork.

All artworks are the same size and sold for \$100, regardless of artist - beginner, emerging or professional.

*Unknown* aims to increase the profile of regional arts, financially support local creatives, provide beginner and emerging artists with an opportunity to exhibit their work, increase regional access and exposure to the arts, as well as inspire a new generation of art collectors and supporters through affordable art.

An exhibition opening event will be held on the Friday 31 March 2023. The exhibition will then be on public display until Monday 3 April 2023. Location TBC.
